Circular 12/2022

Final Request: Information Required by the parties for the Negotiations – Compensatory Framework for Essential Service Employees on duty during the Lockdown.

1. We refer to our previous Circular 06/2022 dated 24 June 2022, which also referred to circular 02/2021, dated 17 March 2021, in terms of which, Municipalities were requested to provide the Council with information on employees who were on duty during the COVID-19 State of Disaster. This information is necessary for negotiations on a Compensatory Framework.
2. The Council issued Circular 06/2022, the purpose of which is two-fold:
 - a) Firstly, the parties to the Executive Committee considered the above matter at its meeting held on 23 June 2022. It was agreed that Circular 02/2021, should be updated and re-issued as many municipalities did not submit the information requested.

- b) Secondly, the Council requested municipalities to submit information as per Annexure A to assist the parties at Central Council level so that they could commence the negotiations on the compensatory framework, as the Lockdown is now over.
3. The Council received 86 submissions only to date, in response to both circulars. This low response rate is inadequate and does not assist the negotiating partners (SALGA, SAMWU and IMATU).
 4. This is the 3rd (third) circular that is issued, as agreed by the parties at the Executive Committee held on 22 September 2022. The Executive Committee reiterated that a final and ultimate appeal should be made to the defaulting municipalities to submit the required information, for the parties at national level to conclude the negotiations on the compensatory framework.
 5. The defaulting municipalities are given one final opportunity to submit the required data, by not later than 31 October 2022, failing which the SALGBC's Legal and Compliance Department will have no alternative but to issue a compliance order, without further notice to the municipality. It must be noted that the Council will seek costs against the relevant officials of the municipality, as this is considered a simple administrative act that falls to the relevant municipal officials to give effect to and comply, with the Executive Committee decisions of the SALGBC.
 6. **Information to be Submitted to the Council**

The Municipality must complete the attached Annexure A, in respect of the data required for the negotiations of the **compensatory framework** and submit same by not later than 31 October 2022, to ronika@salgbc.org.za.

If the municipality has already submitted the information, please ignore this final request.

All enquiries must be via email and can be submitted to: ronika@saigbc.org.za

Yours faithfully

SS GOVENDER
GENERAL SECRETARY
